In order to fulfill its dreams and different aspects of vision the college is working vigorously and continuously till date and we are very glad that according to the vision of the institution the college has achieved a lot till result in our students performances and alumni records and our feedback that we get from time to time from the various stakeholders of the college.

Apart from the curriculum, the college trains its students to clear the teacher eligibility tests at all levels. Each day one hour is allotted for preparations to these competitive exams. Students make effective use of this time. Most of the students of the institution clear these exams each year. Teachers provide guidance to students in preparing and presenting answers and improving their answering skills. Question banks of previous exams are also made available to the students in the college library along with suggestions which help them in understanding the pattern of questions. The peer tutoring technique is effectively used for these classes. Students who belong to the science stream take classes for those who belong to arts stream and those who belong to arts stream take classes for those in science stream.

Teachers conduct regular tests papers to evaluate the learning of their students. Orientation classes especially on carrier opportunities are conducted for the students. The college also provide the opportunity to its students to act employed in its own institution.
